

28th January 2026

Dear Parents / Carers,

Due to the large amount of water around the school site, we are asking all children to wear wellies tomorrow. Please send their school shoes in a labelled bag that they can carry with them.

Unfortunately, some children did get wet feet today, as there was no choice but to walk through an unavoidable large puddle when getting off the bus. We have done our best to dry their footwear out. Please be prepared for similar conditions at collection time this afternoon.

More rain is forecast tomorrow lunchtime so I will be in touch again if there are any changes to arrangements.

Until then, many thanks for your understanding and support.

Emma Richardson
