

Together in our Community: Having started to develop a 'theory of mind' (an understanding that others have minds like our own and so have different thoughts feelings and views), we want to equip our children with the knowledge and understanding needed to develop self-regulation, make friends and negotiate. We aim to provide opportunities for children to reflect upon how they can have an impact on others and how others can have an impact upon them.

A slight change this term due to Year 3 and 4 going Swimming on a Monday afternoon. EC will repeat the Clergy Collective Worship to them on Thursday PM and Class Collective Worship will be completed on Monday.
