Dear Parent/Carer,

Give and Learn Day – Child of Hope

We are excited to inform you that our school will take part in a unique cultural learning event linked to our school charity 'Child of Hope'.

On **Friday 29th September**, all pupils at Dunbury Academy will spend the day finding out about how Ugandan children learn without the use of technology. They will develop new skills such as Ugandan crafts, dance and language.

The aim of the day is to have fun and raise funds for the 'Child of Hope' charity. The charity makes a huge difference for children in Mbale, Uganda. The Child of Hope charity provides free education, healthcare and welfare for children living in extreme poverty. For more information about the charity, please visit their website www.childofhopeuganda.org

A sponsor form can be found below to support the raising of funds. Please contribute any sponsorship donations directly to <https://www.justgiving.com/campaign/give-and-learn-day>. All money raised will be used by Child of Hope for much-needed teaching resources. This will make a huge difference to the children's education at Child of Hope.

Thank you for your support. Please ensure online donations are completed by **Friday 6th October**. Please note that there will not be a facility to pay donations in cash in school.

Yours sincerely,

Dunbury Academy staff and pupils.
