

Friday 10th November

Dear Parents and Carers,

Children in Need 2023

On Friday 17th November we are supporting 'Children In Need' 2023. We hope to make this a great fundraising day to support this extremely worthwhile charity.

We invite the children to replace one small item of their clothing with something spotty, and ask for a small donation with all proceeds going to this exceptionally good cause. You can donate to the cause through this link: <https://donate.bbcchildreninneed.co.uk/> Donating in this way allows the charity to claim gift aid on eligible donations.

The Children in Need theme this year is focusing on 'healthy body and mind' to support our mental health and physical well-being. This theme allows us to build on our learning launched at the beginning of the week with Odd Socks Day, held to raise awareness for anti-bullying week.

Thank you all for your continued support with our charity events it is very much appreciated and I'm sure you will agree it is important that our children learn about different charities and their meaning.

Kind regards,

Mrs Stoker
Beech Class Teacher
