19th April 2024

Dear Parents and Carers,

A gentle reminder that we are a nut free school. With this in mind, could we politely ask that no products containing nuts are sent into school.

Children who have a diagnosed or undiagnosed nut allergy can develop a severe, potentially life-threatening allergic reaction. If someone has a nut allergy it is not just eating nuts that can cause a severe reaction, just being touched on the skin or smelling the breath of someone who has had nuts or a product containing nuts can trigger anaphylactic shock (which can cause breathing and swallowing difficulties).

Could we therefore please kindly ask that we have no nut products in lunch boxes or in snacks brought into school.

With best regards.

The Dunbury Team
