

7th February 2023

Dear Parents/Carers,

Trees for Dorset - Tree Planting – Friday 10th February 2023

On Friday 10th February, the children will be taking part in a tree planting session led by the organisation Trees for Dorset. This will take part on the school site and no alternative lunch arrangements will be needed.

We kindly ask that the children wear normal school uniform but bring a waterproof coat, a pair of wellies, a spare pair of socks, and a pair of old trousers (they might get muddy!).

We look forward to an exciting morning of learning with Trees for Dorset, and if you have any queries please contact the school via our class email account or the Office.

Kind regards,

Mr Morgan
