Teams – Live Lessons Expectations and Rules for parents and children

- Children must be in a communal room of the house and must have a parent in the same room during the whole of the call.
- Due to the nature of Teams, only members of the Team can join the lesson, so this is limited to the children and staff members linked to that class.
- Children must wear suitable clothing, as should anyone else in the household.
- Any computers/devices used should be in appropriate communal areas, for example, not in bedrooms; and where possible be against a neutral background.
- Language must be appropriate, including any family members in the background.
- By joining the call, you permit for the call to be recorded and stored on the school system. This is for safeguarding reasons.
- Children will be muted by the host when they join the call and at any time in case of inappropriate language or behaviour of the child or family members.
- This is a live lesson, and it is expected that children will have the same standard of behaviour as in the classroom: being ready, respectful and safe at all times.
- If you have any safeguarding concerns during the lesson, please contact Mrs Doswell or Mrs Culy.
